

LEGO® SERIOUS PLAY® **CHANGE CATALYST** **CERTIFICATION**

**Master LEGO® SERIOUS PLAY® to drive
change and innovation.
Get ahead on the curve with Real-Time
Change©,
co-developed with Prof. Johan Roos
and exclusively offered by Inthrface.**

The Change Catalyst Certification is the most change-ready LEGO® SERIOUS PLAY® program, combining foundational skills with advanced change facilitation techniques.

Designed for facilitators, consultants, and leaders, this certification equips you with the structured skills and confidence to create meaningful impact in team dynamics, innovation, and organizational change - while mastering the full potential of LEGO® SERIOUS PLAY® through two certifications in one.

Experience in-person training at LEGOLAND® Billund combined with online sessions, gain certification endorsed by Prof. Johan Roos, co-inventor of the original LSP and RTC methods, and apply your skills immediately to drive real impact.

What's in it for you?

The Change Catalyst Certification is a comprehensive program that combines:

Step 1: Online Foundational Certification (OFC)

- ✓ **Master the core elements of LEGO® SERIOUS PLAY®** – Gain a structured facilitation approach that enhances creativity, collaboration, and problem-solving.
- ✓ **Build a powerful skills toolbox** – Learn hands-on techniques and activities to bring LSP to life.
- ✓ **Access ready-to-use exercises** – Kickstart any workshop with proven, engaging exercises.
- ✓ **Develop a step-by-step approach** – Follow six practical steps to confidently design and facilitate LSP sessions, both online and face-to-face.
- ✓ **Facilitate shorter, impactful workshops** – Apply the method to a wide variety of topics, from team dynamics to strategy.

Step 2: Real Time Change© Certification (RTC)

- ✓ **Broaden your expertise** – Go beyond standard LSP facilitation and learn to guide teams through complex transformations.
- ✓ **Develop readiness for change** – Equip teams and organizations with the mindset and tools to anticipate, navigate, and embrace change effectively.
- ✓ **Enhance psychological safety** – Use LSP to create safe environments where individuals feel confident to share ideas, express concerns, and to co-create solutions.
- ✓ **Master structured change facilitation** – Gain tools to support teams and organizations navigating uncertainty.
- ✓ **Expand your workshop offerings** – Deliver high-impact LSP sessions in strategy, innovation, and organizational change.
- ✓ **Stand out in the market** – By completing both steps, you will gain an exclusive certification endorsed by **Prof. Johan Roos**, enhancing your credibility and professional value.

By joining the Change Catalyst Certification, you will get:

- ✓ **Extensive training & hands-on experience** – A deep dive into **both** the core **LEGO® SERIOUS PLAY®** methodology and the **Real-Time Change©** approach, delivered by **world-class facilitators and the developers of RTC—right from the source.**
- ✓ **A practical facilitator's guide** – A hands-on manual designed to help you **quickly and effectively start designing and facilitating workshops**, with structured exercises and proven facilitation techniques.
- ✓ **Master both in-person & online facilitation** – Gain practical experience in using **LEGO® SERIOUS PLAY®** in **online settings**, ensuring you can adapt to different workshop formats and audiences.
- ✓ **LEGO® SERIOUS PLAY® Starter Kit** – The necessary LEGO® materials you'll need to participate at the online sessions.
- ✓ **A global network & ongoing learning** – Gain access to **BRICKMIND**, our worldwide network of certified facilitators, plus **quarterly newsletters, in-depth articles, and free webinars** exploring advanced applications of LSP.
- ✓ **A prestigious invitation** – Join our **annual International LEGO® SERIOUS PLAY® Conference and Advanced Training** at **Hotel LEGOLAND® in Billund, Denmark**, where you can connect, grow, and sharpen your facilitation skills.
- ✓ **All-inclusive stay at LEGOLAND® Billund** – Enjoy a **fully covered** stay, including **accommodation and meals**, at **Hotel LEGOLAND®** during your in-person training.
- ✓ **Certification & digital recognition** – Receive an official **Change Catalyst Certification**, a **digital badge**, and an endorsement from **Prof. Johan Roos**, co-inventor of LEGO® SERIOUS PLAY®, boosting your credibility and professional value.
- ✓ **Free online coaching session** – Exclusive **post-certification coaching session** to help you refine your approach, gain feedback, and ensure success in your first workshops.
